

Dear Applicant,

Planning for **Infusion** 2016 has begun! After hosting a successful competition at Penn State for the past three years, we are so excited to begin preparations for next year! We are currently looking for qualified, enthusiastic individuals to carry on the legacy. Details about hospitality director position are included below.

Before you complete this application, we hope that you will do all that you can to find out more about **Infusion** and about the commitment involved. Even though each board member has an assigned position, the difference between **Infusion** and other student organizations is that each board member is considered a vital part of the entire executive board. Board members are expected to take an active role in ALL parts of the competition. This means that, in addition to attending weekly meetings and fulfilling the roles of their own position, **Infusion** board members are often required to go above and beyond the responsibilities assigned to their respective positions. Any **Infusion** board member will tell you that being on the board is one of the most exciting and rewarding experiences they have had. However, they will also tell you that it is an extracurricular that will have significantly heavy time requirements.

With that being said, we hope that you will decide that you would like to be part of **Infusion** 2016 and help us continue to make our competition bigger and better with each passing year.

Sincerely,

**Infusion** Executive Board

We are accepting applications for the positions described below.

### **Hospitality Director**

The Hospitality Team's major responsibility is the mixer. Every aspect of the mixer – logistics, games, food, decorations, etc. – is the obligation of the Hospitality Directors. In addition, they are responsible for aiding Sponsorship and ensuring that the food for all participants throughout the course of the weekend is ready for distribution. Hospitality Directors also serve as head liaison; it is their duty to plan committee meetings and coordinate with committee members. They serve as the main bridge between the executive board and the committee as they orchestrate and oversee painting along with other committee member responsibilities. Enthusiasm, creativity and quick thinking are key attributes of the Hospitality Director position as well as the ability to work well with others and plan efficiently.
